

2023-24 COASTAL SUSTAINABILITY SYMPOSIUM & GREEN

Jobs Fair
Our Place by the Sea is a semester-long expedition focused on coastal sustainability that engages students as environmental leaders through detailed data collection and analysis. You are invited to the culminating student presentations of scientific research modeled after the practices of the professional community.

You have been invited

**Thursday, January 11th, 2024
11 am EST**

**CCRI Liston Campus Cafeteria
1 Hilton Street, Providence, RI 02905**

This event will include individual student research presentations with interactive dialogue. We have also partnered with RI businesses, nonprofits, and governmental organizations, offering opportunities for solutions-based networking for our environmental community. Please support our students by participating in this event.
